

"Gardening your Soul" Kit Assembly Instructions

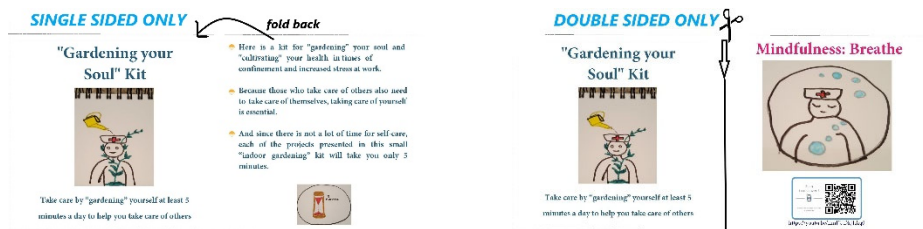

- 1) **Download and print** the correct file depending on whether you are printing single-sided or double-sided.
- 2) **Cut across** the light gray horizontal lines to make each row 3.5" tall (8.5cm).

- 3) **Cut the vertical lines** on the left and right edges to make each row 7.25" wide (18.5cm).

- 4) **DOUBLE SIDED PRINT:** Cut the center line of each row to create 9 separate cards
SINGLE SIDED PRINT: Fold each row in half to create 9 separate cards.

- 5) With the cards stacked and aligned, **punch a hole** approximately 1" (2.5 cm) down from the top left corner. You can then use a book ring (shown below) or other fastener to keep the cards together.
